## HTB & FIN-BAKE - New premium line

- Premium design with the latest features
- Reduced energy consumption and commitment to lowering carbon emissions
- Smart ovens with artificial intelligence – connectivity to our new PRO-BAKER internet app
- Outstanding baking quality and perfection in evenly baked products
- Automatic door opening and safety door lock during washing
- Unique steam generator producing more steam and enabling faster regeneration cycle
- Refresh function enabling quick exchange of air in the oven for crispier products
- Proving cabinet innovation – ULTRASONIC moisturizing system for moistening your dough
- Optional remote control of the proving cabinet
- Highly effective innovative ventilation-condensation hood enables immediate and complete condensation of the released steam
